

GenerationLife

What is Generation Life? **Generation Life** is a movement of young people dedicated to building a **culture of life** by spreading the **pro-life** and **chastity** messages to our peers. Inspired by the words and life of **Pope John Paul II**, our movement is a two-pronged effort of education and action supported by prayer. We believe that by spreading the message of **chastity**, we can end abortion at the root cause.

What do we do? We speak to over 33,000 middle and high school **students** in the United States and Canada annually! We also have outreach programs such as Beach Outreach, 8th Grade Chastity Days, and special summer programs. We pray at abortion facilities on the 4th Saturday of every month. We offer pregnant mothers an **alternative to abortion** through supporting pregnancy care services.

Why is GenLife at World Youth Day? Gen Life is at WYD because our message is integral to living a life of **Christian virtue!** The chastity and pro-life messages also require **faith in God** and a life of **prayer**. Put that **prayer into action** through being involved with Gen Life!

Pope Benedict XVI's Address to Young People and Seminarians, Dunwoodie Seminary, Yonkers NY, April 2008

"Christ's light beckons you to be guiding stars for others, walking Christ's way of forgiveness, reconciliation, humility, joy and peace... You are Christ's disciples today. Shine his light upon this great city and beyond. Show the world the reason for the hope that resonates within you. Tell others about the truth that sets you free."
